

FTWVF Verge mowers

Our WVF verge flail mowers have hydraulically operated offset cutting heads perfect for cutting verges, tricky grassed areas and low hedges.

As well as full upwards vertical movement, it can be used at a 45 degree angle below the tractor for ditch and verge cutting.

| PART No | Working Width | Width |  |  | Retail X Vat | Retail Inc Vat |

FTWFL Flail mowers

Our heavy duty WFL range of flail mowers are ideal for both smallholdings and sports fields. The heavy hammer blades are perfect for cutting the tough brambles and longer grass in pasture and paddock areas but will also leave a fine lawn finish if regular cutting is undertaken. Suitable for tractors 18hp – 65hp.

| PART No | Working Width | Width |  |  | Retail X Vat | Retail Inc Vat |
|----------|---------------|--------|---|---|--------------|----------------|
| FTWFL125 | 122 cm | 140 cm | 18-35hp | 277 | £1,550.00 | £1,860.00 |
| FTWFL145 | 142 cm | 160 cm | 26-40hp | 317 | £1,650.00 | £1,980.00 |
| FTWFL175 | 172 cm | 190 cm | 28-65hp | 359 | £1,850.00 | £2,220.00 |

Key features of the Winton Heavy Duty Flail Mower:

- Robust upgraded gearbox for a heavier work load and better durability
- SKF Bearings fitted to rotor for a smoother action and easy replacement
- Spirally arranged blades for a smoother cut and more efficient power transfer
- Adjustable skids and roller for variable cutting heights
- Heavy duty hammer blades, at 840g each they are twice the weight of standard hammer blades
